Summer Program: There are costs associated with hosting that are not accounted for in the above estimated amounts. These expenses can vary depending on activities planned by the host family such as local trips, concerts, six-flags, museums etc. The host family is expected to cover the costs for these type of activities while the student is in their home.

An outbound student's financial capacity should not determine whether the student should participate in the program. We will work with any student to help them apply for scholarships, sponsorships, fund-raising, etc. It is, however, ultimately the student's and family's responsibility to fund the exchange.

If you have any questions regarding any of the above items please contact the District Youth Exchange Officer, Norm King, 817-781-3327 / YEO_5790@yahoo.com.
