Summer Program: *There are costs associated with hosting that are not accounted for in the above estimated amounts. These expenses can vary depending on activities planned by the host family. Inbound students are typically not required to pay for activities while being hosted.

An outbound student's financial capacity to participate should not be the determining factor of whether or not a student should go on exchange. We will work with any student that wishes to participate in helping them apply for scholarships, sponsorships, plan fund raising etc. It is however ultimately the Student and his/her families' responsibility to fund the exchange.

If you have any questions regarding any of the above items please contact the District Youth Exchange Officer, Norm King, 817-781-3327 / YEO_5790@yahoo.com.
